**FOR IMMEDIATE RELEASE:**

### ***eBiz Software, Inc. Announces Its Renewal Membership in the Microsoft Certified Partner Program***

**Topeka, Kansas — February 1, 2005 —** eBiz Software®, Inc., a Kansas based software development company specializing in solutions that help companies reduce cost, improve or enhance workflow automation, and add/increase operational efficiencies in their company and its productivity today announced it has renewed its membership in the Microsoft Certified Partner Program. eBiz has been a Certified Partner since 1999.

eBiz Software, Inc. has been named as a Microsoft Certified Partner due to its proven competence on the latest Microsoft technologies. Membership in the Microsoft Certified Partner Program will provide eBiz Software, Inc. with resources to help it develop and deploy robust Microsoft solutions that will help speed customers' time to market and reduce costs.

The Microsoft Certified Partner Program allows eBiz Software, Inc. to utilize the Microsoft Certified Partner logo, which is an easy way for customers to recognize eBiz Software, Inc. as certified by Microsoft Corp. Microsoft offers a variety of resources to program members, including training, technical support, early access to Microsoft products and peer-networking opportunities that allow a variety of partners to come together and provide end-to-end customer solutions.

“eBiz Software, Inc. is extremely pleased with our renewed status as a Microsoft Certified Partner,” said Mark Maendele, CIO/CTO for eBiz. “Being a member of the program gives us early access to product information, so that when our customers are ready to take advantage of the latest Microsoft technology solution we already have the experience we need. In addition, enhancements such as the new peer-networking opportunities will allow us to expand the types of solutions and services we can offer our customers.”

“When customers are looking to implement a Microsoft technology solution for their business, their best bet is to turn to an expert—a Microsoft Certified Partner,” said Rosa Garcia, general manager of the Partner Programs Group at Microsoft. “Microsoft provides its Certified Partners with in-depth access to existing and emerging Microsoft technologies and related training and resources to help ensure that they have the technical intimacy needed to deliver quality solutions. Today, Microsoft recognizes eBiz Software, Inc. for demonstrating this level of expertise and welcomes it as a new Microsoft Certified Partner.”
